

Turfway Park

Rules and Conditions for Racing and Training (“Conditions”)

As a condition to, and in consideration for the undersigned trainer (“Trainer”) being permitted to race, work, or train any horse at Turfway Park, the Trainer and the undersigned Trainer’s attending veterinarian (“Attending Veterinarian”) hereby agree to be bound by the following Conditions:

1. At all times, a horse must be in serviceable, sound racing condition in order to race, work or train at Turfway Park. The Trainer acknowledges that it is his/her obligation to confirm the horse is in serviceable, sound racing condition in order to race, work or train Turfway Park Grounds.

2. Trainer will not enter a horse in any race at Turfway Park UNLESS the horse has: (a) been examined by Trainer’s Attending Veterinarian during the three (3) days immediately preceding the entry to race for the express purpose of evaluating the horse’s fitness to race; and (b) been found fit to race by the Attending Veterinarian. This evaluation shall include, at a minimum, watching the horse jog. The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director and the Kentucky Horse Racing Commission (“KHRC”) official veterinarian (or his or her designee) of any changes in the horse’s fitness after entry through race day. Extenuating Circumstances to the examination requirement of this rule will be handled by the Racing Office in conjunction with the CDI Equine Medical Director on a case-by-case basis.

3. Trainer will not permit a horse stabled at Turfway Park to work UNLESS the horse has: (a) been examined by the Trainer’s Attending Veterinarian during the five (5) days immediately preceding the work for the express purpose of evaluating the horse’s fitness to work; and (b) been found fit to work by the Attending Veterinarian (this evaluation shall include, at a minimum, watching the horse jog). The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director (or his or her designee) of any changes in the horse’s fitness after the examination set forth above and before the horse works.

4. Trainer will not enter in any race at Turfway Park a horse that is an unstarted four year-old or older or any horse that has not raced within 365 days of its previous race UNLESS, in addition to the criteria set forth in Section 2, above, the horse has worked 5 furlongs in 1:03 or better for the CDI

Equine Medical Director (or his or her designee) in the previous thirty (30) days. Horses that have not raced within 120 days but have raced within 365 days must have an examination performed by the CDI Equine Medical Director (or his or her designee) prior to entry. Based upon that examination, the CDI Equine Medical Director may require the horse to work prior to being allowed to enter. If the horse is required to work it must meet the same requirements as a horse that is working off of the KHRC’s Official Veterinarian’s list.

5. Under no circumstances shall an examination conducted by a veterinarian who has NOT been identified as the Trainer’s Attending Veterinarian in compliance with these Conditions constitute a valid examination for purposes of determining a horse’s fitness to race, work or train.

6. Turfway Park and the CDI Equine Medical Director are entitled (but not obligated) to contact, without prior notice, Trainer’s Attending Veterinarian to confirm that examinations have been conducted pursuant to these Conditions and that any such examination meets Turfway Park’s requirements. Turfway Park and the CDI Equine Medical Director shall have the right (but not the obligation) to examine and review all records of examinations performed in accordance with these Conditions.

7. All horses entered to race at Turfway Park, or on Turfway Park grounds, are subject to: (a) veterinary inspections by the CDI Equine Medical Director, or his/her designee and (b) veterinary monitoring. Trainer and Trainer’s staff will cooperate fully with all requests made by CDI veterinarians and outriders.

8. All horses at any Kentucky Training Facility are subject to (a) veterinary inspections by the staff or contractor of the Kentucky Training Facility and (b) veterinary monitoring. 13. Any failure by Turfway Park to enforce any terms or conditions of this Agreement shall not constitute a waiver by Turfway Park, and shall not affect or impair this Agreement in any way, or the right of Turfway Park at any time to enforce this Agreement.

Turfway Park’s approval or consent to any action proposed by Trainer or Attending Veterinarian shall not affect Trainer or Attending Veterinarian’s obligation to strictly comply with this Agreement.
