TURFWAY PARK RULES & CONDITIONS FOR RACING & TRAINING

PLEASE NOTE: The following agreement must be read and signed by both the trainer and the attending veterinarian and the signature portion returned to the CDI medical director (William.Farmer@kyderby.com) before the trainer will be permitted to enter horses. See page 6.

As a condition to, and in consideration for the undersigned trainer ("Trainer") being permitted to race, work, or train any horse at a Churchill Downs Incorporated ("CDI") owned facility, including, Churchill Downs Racetrack, Churchill Downs Training Center, Ellis Park or Turfway Park (each, a "Churchill Facility", and collectively, the "Churchill Facilities"), the Trainer and the undersigned Trainer's attending veterinarian ("Attending Veterinarian") hereby agree to be bound by the following conditions (the "Conditions"):

- 1. At all times, a horse must be in serviceable, sound racing condition in order to race, work or train at a Churchill Facility. The Trainer acknowledges that it is his/her obligation to confirm the horse is in serviceable and sound racing condition, in order to race, work or train on a Churchill Facility's grounds. Any horse that has not raced within thirty (30) months since its last start shall be presumed unsound to race, work, or train at any Churchill Facility, unless approved in advance by the CDI Equine Medical Director. Any horse treated with extracorporeal shockwave therapy, radial pulse therapy, or similar treatments shall not race or work for a minimum of thirty (30) days following such treatment.
- 2. Trainer will not enter a horse in any race UNLESS the horse has: (a) been examined by Trainer's Attending Veterinarian during the three (3) days immediately preceding the close of entries for the selected race for the express purpose of evaluating the horse's fitness to race; and (b) been found fit to race by the Attending Veterinarian. This evaluation shall include, at a minimum, watching the horse jog. The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director and the Kentucky Horse Racing Commission ("KHRC") official veterinarian or his/her designee of any changes in the horse's fitness after entry through race day. The Racing Secretary, in consultation with the CDI Equine Medical Director, may, but shall not be obligated to, consider any extenuating circumstances to the examination requirement of this rule on a case-by-case basis.
- 3. Trainer will not permit a horse stabled at a Churchill Facility to work UNLESS the horse has: (a) been examined by the Trainer's Attending Veterinarian during the five (5) days immediately preceding the work for the express purpose of evaluating the horse's fitness to work; and (b) been found fit to work by the Attending Veterinarian (this evaluation shall include, at a minimum, watching the horse jog). The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director or his/her designee of any changes in the horse's fitness after the examination set forth above and before the horse works.
- 4. Trainer will not permit a horse placed on the Veterinarian's List to perform a high-speed (published) work for seven (7) days following placement on the Veterinarian's List.

continued on next page

- 5. Trainer will not enter in any race a horse that is a four-year old or older first time starter or a previously raced horse that has not raced in the 365 days preceding the date of the selected race UNLESS, in addition to the criteria set forth in Section 2, above, such horse has completed an official work for the KHRC veterinarian or his/her designee prior to entry. Horses that have not raced within the one hundred fifty (150) days but have raced within the three hundred sixty-five (365) days preceding the date of the selected race must have an examination performed by the CDI Equine Medical Director or his/ her designee prior to entry. Based upon that examination, the CDI Equine Medical Director may require the horse to work prior to being allowed to enter. If the horse is required to work it must meet the same requirements as a horse that is working off of the KHRC's Veterinarian's list.
- 6. Under no circumstances shall an examination conducted by a veterinarian who has NOT been identified as the Trainer's Attending Veterinarian in compliance with these Conditions constitute a valid examination for purposes of determining a horse's fitness to race, work or train.
- 7. The Churchill Facilities and the CDI Equine Medical Director are entitled (but not obligated) to contact, without prior notice, Trainer's Attending Veterinarian to confirm that examinations have been conducted pursuant to these Conditions and that any such examination meets the applicable Churchill Facility's requirements. The Churchill Facilities and the CDI Equine Medical Director shall have the right (but not the obligation) to examine and review all records of examinations performed in accordance with these Conditions, and Trainer agrees that the applicable Churchill Facility or the CDI Equine Medical Director may inspect and copy for each's own use, and Trainer shall provide upon request, all documents, electronic or otherwise, containing reports by official racing veterinarians of pre-race examinations, post-race examinations (including without limitation necropsy reports) and/or any records of procedures required by regulatory agencies or under applicable industry safety accreditation organizations of Trainer's horse(s) racing or training at each Churchill Facility.
- 8. All horses stabled or entered to race at a Churchill Facility, or present on a Churchill Facility's grounds, are subject to: (a) veterinary inspections and requests for veterinary medical records by the CDI Equine Medical Director, or his/her designee and (b) veterinary monitoring. Trainer, Trainer's staff, and Attending Veterinarians will cooperate fully with all requests made by CDI veterinarians and the applicable Churchill Facility's staff.
- 9. As used herein, the term "Attending Veterinarian" shall include the undersigned veterinarian and any veterinarian who is a member of his/her veterinary practice.
- 10. If stabled on a Churchill Facility's grounds, both Trainer and the Attending Veterinarian will abide by all rules and regulations of the applicable Churchill Facility, including, without limitation, House Rules (including those relating to TCO2 or "Milkshake" testing, and all medication and integrity rules), or other rules (including, without limitation, all rules set forth in the applicable Churchill Facility's Condition Book, Stall Application, the Rules of the Barn Area, and the Rules of the Track), all of which are hereby expressly incorporated by reference herein. Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

- 11. All KHRC licensees, including but not limited to each Churchill Facility, owners, trainers, jockeys, and grooms ("licensees"), participating in stabling, racing, training, and related activities at the Churchill Facilities recognize that hazards and risks inherent in such activities may cause the injury or death of horses. Therefore, in consideration of participating in stabling, racing, training, and related activities at a Churchill Facility, all licensees assume the risks of, and release, hold harmless and covenant not to sue all other licensees so participating for: (i) Ordinary negligence which causes or contributes to loss, loss of use, injury or damage to horses while on the premises of such Churchill Facility; and (ii) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of use, injury or damage to horses arising from the use of grass fields or gallops owned or controlled by such Churchill Facility, whether arising from alleged acts or omissions of a licensee and its agents or employees, the condition of the premises of such Churchill Facility or any other cause. Except as provided above, all licensees participating in racing, training, and related activities at a Churchill Facility shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law. The foregoing provisions shall be construed in a manner consistent with the limitations set forth herein to be as broad and inclusive as permitted by the laws of the Commonwealth of Kentucky and the KHRC's regulations and shall be binding upon Trainer, its successors and/ or assignees. The maintenance by CDI or any of its subsidiaries of insurance shall not affect the terms or interpretation of this Agreement. The foregoing release shall extend to CDI's and its subsidiaries' officers, directors, agents, employees, contractors, servants and licensees. In the event of any inconsistency between these provisions and the KHRC's regulations, the KHRC's regulations shall control. Further, these provisions shall be deemed to be amended to the extent of, and to be in compliance with, any amendment to the KHRC's regulations.
- 12. Both Trainer and Attending Veterinarian will abide by all rules and regulations of the KHRC, at any time expressly incorporated by reference herein, and the rules and regulations of the KHRC, at any time adopted or as they may be amended (collectively, "KHRC Regulations"). Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.
- 13. Any failure by CDI or a Churchill Facility to enforce any terms or conditions of this Agreement shall not constitute a waiver by such Churchill Facility, and shall not affect or impair this Agreement in any way, or the right of CDI at any time to enforce this Agreement.

A Churchill Facility representative's approval or consent to any action proposed by Trainer or Attending Veterinarian shall not waive Trainer or Attending Veterinarian's obligation to strictly comply with this Agreement.

14. Both Trainer and the Attending Veterinarian understand and acknowledge that these Conditions shall be in effect annually commencing on the date of the opening of the Churchill Downs Racetrack stable area prior to the Churchill Downs Racetrack Spring Meet (or any successor meet therefor) each year and continuing through the conclusion of the Turfway Park Winter/Spring Meet (or any successor meet therefor) the following year, and for Trainers that

continued on next page

have horse(s) on a Churchill Facility's grounds, these Conditions shall be in effect from earliest date noted below and for so long as Trainer has horse(s) on such Churchill Facility's grounds.

By signing below, Trainer acknowledges and agrees that Trainer (a) has read and fully understands the Conditions and agrees to be bound by them, (b) will consult with Trainer's Attending Veterinarian and the CDI Equine Medical Director if Trainer has any questions regarding such Conditions, and (c) will fully comply with the Conditions.

By signing below, the Attending Veterinarian acknowledges and agrees that he/she (a) is the Attending Veterinarian for the undersigned Trainer, (b) has read and fully understands the above Conditions and agrees to be bound by them, (c) will consult with the CDI Equine Medical Director if he/she has any questions regarding such Conditions, and (d) will comply fully with the Conditions.

Any change in the party that will be acting as the Trainer's Attending Veterinarian requires Trainer and the new Attending Veterinarian to submit a fully executed copy of these Conditions to CDI Equine Medical Director.

EQUINE SAFETY INITIATIVES

There have been several equine safety initiatives that have been implemented at Turfway Park. Below are the changes and how they affect you.

- RULES AND CONDITIONS FOR RACING AND TRAINING AGREEMENT: This must be signed and submitted to the Stable Office upon arrival. This agreement will cover all Kentucky CDI properties and will be in effect until the end of the Turfway Park 2024 Winter/Spring Meet. Please make sure you and your veterinarian sign prior to turning it in. See page 3 for the agreement.
- WORKING AFTER PLACEMENT ON VETERINARIAN'S LIST: Trainer will not permit a horse placed on the Veterinarian's List to perform a high-speed (published) work for seven (7) days following placement on the Veterinarian's List.
- MEDICATION-RESTRICTED RACES: Pursuant to HISA regulations, all two (2) year-old races and stakes races will be conducted Lasix-free. Please consult with your veterinarian, Churchill Downs Equine Medical Director (Dr. Farmer), or the KHRC if you have any questions regarding this regulation.
- 4. SHOCKWAVE THERAPY TREATMENTS: All prescribed shockwave treatments require a 48-hour notice. Please contact Dr. Farmer to schedule. FOLLOWING A SHOCKWAVE TREATMENT ALL HORSES ARE INELIGIBLE TO HAVE A HIGH-SPEED WORK OR RACE FOR 30 DAYS. Trainers and Veterinarians violating this rule are subject to HISA penalties along with revocation of stalling privileges at CDI properties.
- 5. PRE-ENTRY EXAM: Pursuant to KHRC regulation, all horses must have an exam performed by your veterinarian within the three (3) days preceding a race entry. This exam is to be documented by your veterinarian and he/she will include their findings on their daily treatment records submitted to the KHRC.
- 6. PRE-WORK EXAM: All horses stabled at Churchill Downs, Ellis Park, Trackside or Turfway Park must have an exam performed by your veterinarian within the five (5) days preceding a timed workout, per the Rules and Conditions for Racing and Training agreement. This exam is to be documented by your veterinarian and turned in to both the KHRC and CD Equine Medical Director, Dr. Farmer.
- POOR-PERFORMANCE: Horses that are beaten by twelve (12) or more lengths in five consecutive starts will be ineligible to race at any Churchill Downs Property until approved by the Equine Medical Director to return.
- RESTRICTED NUMBER OF STARTS: Horses will be limited to four starts in a rolling eight-week period.
- 9. IN-TODAY SIGNAGE: All horses entered to race must be clearly identified starting at 7:30 a.m. on race day with an "In-Today" sign. Trainers should hang these signs on the stall door or adjacent to the stall. This is separate from the KHRC Lasix tag hung following Lasix administration. Extra signs are available in the Stable Office.

- 10. ENTRY RESTRICTIONS: All 4-year old and older first time starters and any previously raced horse that has not raced in the previous 365 days must contact the KHRC veterinarians to schedule an official veterinary work PRIOR to entry. Any horse that has previously raced, but has not raced in the previous 150 days must contact the CD Equine Medical Director PRIOR to entering the horse in a race. Any previously raced horse that has not raced in the previous 30 months is ineligible to train or race at any Churchill Downs Property, unless approved in advance by the CD Equine Medical Director.
- 11. WAIVER CLAIMING RULE: Allows a trainer to enter a claiming race but be ineligible to be claimed providing the horse has not started for a minimum of 120 days since its last race, and the horse is entered for a claiming price equal to or greater than the price at which it last started.

DIGITAL FOAL CERTIFICATES

The Jockey Club registry shall issue digital foal certificates for foals of 2018 and later. Digital certificates are stored on the Registry's website at registry.jockeyclub.com. If you are planning on running at Turfway Park ask your owners to assign their 2-year-olds' digital certificates to Turfway Park as the Certificate Manager. All digital foal papers will be treated the same as paper foal papers and must be on file by the first day of racing for a zero date. For horses 3-year-old and up, continue to deliver paper certificates to the Turfway Park Racing Office Attention Horse I.D. If you have questions about digital foal certificates, see the digital certificates FAQs at registry.jockeyclub.com or contact the Registry office via email at inquiries@jockeyclub.com or by phone at (800) 444-8521.

TRPB DIGITAL TATTOOS

In effect since January 2020, a Thoroughbred making its first lifetime start requires a TRPB Digital Tattoo.

Sign up for tattooing at the Turfway Park Horse ID Office, and list the horse's name, barn number, your name and cell phone number.

All foals of 2017 thru 2021 have microchip numbers on The Jockey Club foal registration papers which the TRPB Technician will validate prior to confirming the markings and documenting through digital photos.

The TRPB Technician will scan the microchip to access the digital copy of the foal certificate, validate the information, verify the markings, color and gender, then take 10-14 photos of the horse to digitally document all equine attributes. Bandages, poultice, blankets must be off the horse and the horse must be named prior to the horse being digitally tattooed.

The Digital Tattoo fee is \$106 which **MUST be paid prior to the TRPB Technician performing the work.** Payment can be made by credit card, Apple Pay or Google Pay. You can make arrangements to pay by Venmo @tattooTRPB.

Any questions about Digital Tattoos can be directed to TRPB Horse ID at (410) 398-2261 ext. 600 or tattoo@trpb.com.

All racing participants must register with HISA before July 1.

Trainers or Owners must also register all horses in their care.

(2)(a) The commission veterinarian; or (b) A licensed veterinarian approved by the commission to perform the administration if the commission veterinarian is unavailable. If the furosemide is administered by an approved licensed veterinarian, the administering veterinarian shall provide a written report to the commission veterinarian no later than two (2) hours prior to post time of the race in which the horse receiving the furosemide is competing.

The commission shall maintain records documenting the basis for its determination, and if the cost is determined to be less than twenty (20) dollars per administration, then the commission shall lower the cost accordingly. The cost shall be prominently posted in the racing office.

(6)(a) A two (2) year old or stakes horse shall not be administered any drug, medication or other substance, including furosemide, within twenty-four (24) hours of the post time of the race in which the horse is entered. Participation by the horse shall not affect the status of the participating horse on the official authorized bleeder medication list. (b) The implementation and enforcement of the prohibition in paragraph (a) of this subsection shall begin on: 1. January 1, 2020 for all two (2) year olds; and 2. A horse shall be presumed eligible to race in Kentucky if: (a) It is under the care, custody, or control of a trainer licensed by the commission; (b) It is owned by an owner licensed by the commission; (c) It is nominated to a race at an association licensed pursuant to KRS 230.300; (d) It has raced at an association licensed pursuant to KRS 230.300; (d) It has raced at an association licensed pursuant to KRS 230.300 within the previous twelve (12) calendar months; (e) It is stabled on the grounds of an association licensed pursuant to KRS 230.300 or a training facility subject to the jurisdiction of the commission; or (f) It is nominated to participate in the Kentucky Thoroughbred Development Fund, the Kentucky Standardbred Development Fund, or the Kentucky quarter horse, paint horse, Appaloosa and Arabian Development Fund.

(2) A horse subject to testing under subsection (1) of this section may be designated for testing by the executive director, the chief state steward, chief judge, or their respective designee.

(3) An owner, trainer, or any authorized designee shall fully cooperate with the commission veterinarian, or his or her designee, by: (a) Locating and identifying any horse designated for outof-competition testing; (b) Making the horse available for the collection of the specimen at a place designated by the commission veterinarian, or his or her designee; and (c) Observing the collection of the specimen. 1. If the owner, trainer or their authorized designee, is not available to observe the collection of the specimen, the collection shall be deferred until the trainer, owner, or their authorized designee, becomes reasonably available, but the collection shall occur no later than six (6) hours after notice of intent to collect a specimen from a horse is issued by the commission veterinarian or his or her designee. 2. If the collection does not occur within the time provided for in this subsection, any horse that is designated for testing may be barred from racing in Kentucky and placed on the veterinarian's list, pursuant to 810 KAR 8:010, Section 17, and the steward's list or judges' list, for a period of 180 days and the owner and trainer of the horse may be subject to the penalties de- Legislative Research Commission PDF Version Page: 6 scribed in Section 8 of this administrative regulation.

(a) The trainer of the horse shall be responsible for the condition of a horse sampled for an out-of-competition test while on the grounds of a licensed training facility or racetrack. (b) If the horse is sampled while not on the grounds of a licensed training facility or racetrack, the owner shall be presumed to be the responsible person unless the owner can establish, by substantial evidence, that another licensed person had accepted the responsibility for the care, custody, and control of the horse, making that person the responsible person. (c) If a horse sampled for an out-of-competition test was claimed, sold, or otherwise transferred during the time the substance giving rise to the positive test may have been administered, then the commission shall investigate to determine, by a preponderance of the evidence, the identity of the responsible person at the time the substance may have been administered. (d) If the commission cannot determine a responsible person, then the commission may deem the owner responsible and may place the horse on the veterinarian's list for as long as is necessary to protect the integrity

RACING AT TURFWAY PARK

NOTICE FOR HORSES SHIPPING TO TURFWAY: ARRIVAL

All horses shipping in to run at Turfway Park shall be on the grounds and in their proper receiving barn and assigned stall a minimum of four-and-one-half (4-1/2) hours prior to their race time.

All shipped-in horses will be assigned to a certain barn and stall by the stall superintendent or his personnel at the entrance gate.

NOTICE FOR HORSES SHIPPING TO TURFWAY: VETERINARIAN EXAMINATION

Trainers of shipped-in horses shall have a responsible person available to present the horse for examination when the veterinarian comes to the barn. Horses will have bandages off and are not to be placed in ice, tubs, leg freeze or other such paraphernalia until after the pre-race exam.

It should be further understood by all trainers that if an entered horse fails to receive a pre-race examination a late scratch may be necessary and the trainer shall be held responsible for this action.

HEALTH REQUIREMENTS: COGGINS, HEALTH CERTIFICATE & INOCULATION

GENERAL ENTRY REQUIREMENTS: All equines entering the backside of a Kentucky racetrack and sanctioned training facility shall be accompanied with a current negative EIA Test Certificate (aka Coggins) and be listed on a valid Certificate of Veterinary Inspection (CVI) issued by a USDA accredited veterinarian familiar with the horse and the environment from which it originated. The examination and issuance of the CVI must be completed during the 72 hours prior to the animal's arrival. Each horse entering the backside must be vaccinated against Equine Herpes virus Type 1 (EHV-1) by or under supervision of a licensed veterinarian a minimum of 14 days and no more than 120 days prior to entering the stable area. The inoculation should be recorded on the CVI by the issuing veterinarian and include the name of the product administered and date of inoculation. Once a horse receives the initial EHV-1 vaccination, revaccination should occur every 120 days. Please note the minimum 14-day vaccination applies only to horses that have not been vaccinated for EHV-1 during the preceding 120 days.

PLEASE NOTE: Health requirements for horses entering the grounds are subject to change without advance notice.

EARLY CANCELLATIONS

Trainers shipping to Turfway Park before 8:00 am during adverse weather/road conditions may contact the Stable Gate (859-647-4883) to confirm early cancellations. After 8:00 am, please contact the Racing Office.

TURFWAY PARK DATE PREFERENCE SYSTEM

Foal certificates are no longer required to be on file in the Racing Office to enter or start at Turfway Park; however, foal certificates must be on file to obtain a preference date or to have a horse tattooed.

Each day's overnight will list the dates of horses in and on the also-eligible list to enable trainers to see what dates are getting horses into over-filled races.

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where entry and running dates are the same, the horse with the entry date will have preference.

2. All horses intended for racing at Turfway Park will be assigned a preference date. A horse can have only one date at any one time. Dates will be of two types:

E-Date

This date will correspond to (a) the date on which a horse's foal papers/digital foal certificate and name card are submitted to the Identifier (their earliest date being the day when entries are first taken for the meet). **The deadline to submit foal papers/digital foal certificates to receive a date on day of entry is 9:30 a.m. Eastern**; (b) the day on which a horses is first entered if his papers are not on file with the Identifier. To qualify for the latter E-Date, a horse must have been excluded from a race that appears on the overnight or been entered in a condition book race which failed to fill through insufficient entries.

R-Date

This date will correspond to the day of a horse's most recent race at Turfway Park. An R-Date also will be assigned to a horse that scratches.

3. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers are removed from the Identifier's office will lose his date and must then re-establish a date to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another race track will forfeit any date they may have at Turfway Park. Additionally, horses racing at Turfway Park without foal papers/digital foal certificate on site will not retain their R-Date.

4. Preference dates are good for any type of race or distance (other than maiden dates).

5. Maiden dates will be kept separately and will not have preference in winners races.

6. No E-Date will be assigned to the second choice of an un-split same-owner entry.

7. A horse placed on a list (Veterinarian, Steward, Starter or Paddock Judge) will lose its date and be assigned an R-Date corresponding to the day removed from the list.

8. Horses on the Also-Eligible List shall be permitted to draw into races and will be assigned post positions in the order of their dates, earliest dates first.

9. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain his previous date.

10. The draw of stake and handicap races is not subject to date preference.

11. Preference dates are transferred through change in ownership and changes in trainer only after the proper transfer procedures have been completed through the Stewards office and delivered to the Racing Secretary's office.

KENTUCKY THOROUGHBRED DEVELOPMENT FUND

Horsemen with Kentucky-sired Kentucky-breds have over \$30 million more in purse money to run for in for designated stakes, handicap, allowance, nonclaiming maiden races, and claiming races contested at licensed

Thoroughbred race meetings in Kentucky.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5)(d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

> Mrs. Jenny McGaughey, Director of KTDF Registration Kentucky Thoroughbred Owners and Breeders 4079 Iron Works Parkway Lexington, Kentucky 40511 (T) 859-259-1643 • (M) 859-361-6002 • www.kta-ktob.com

Registration may be completed online at www.kta-ktob.com. The Horse Identifier can check registration status of a horse.

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows:

60%.	to the winner
20%	to second
10%	to third
5%	to fourth
3%	to fifth
	Remaining 2% divided evenly among starters.

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund. Additionally, if a non-KTDF eligible horse is involved in a dead heat, those funds will revert to the fund.

NOTE: ALL KTDF PURSE ALLOTMENTS CONTAINED HEREIN ARE SUBJECT TO KHRC APPROVAL.

REAP THE REWARDS OF RACING AND BREEDING IN

LUCRATIVE OPPORTUNITIES

\$165,428,337

Combined purse money (association and KTDF) paid out hit an all-time high at Kentucky's five racetracks in 2022, following a previous benchmark of \$134,198,984 set in 2021.

\$113,806*

Average purse per race in Kentucky outpaces all other leading racing jurisdictions, including Arkansas, New York, California, and Florida, and grew by **47**% year over year.

8.8*

Average field size in Kentucky, higher than Florida, New York, and California.

INVEST IN SUCCESS

Over \$200 million has been distributed to Kentucky breeders since 2006, and with purse money soaring, the KBIF contributing nearly \$16 million to eligible breeders, the fullest fields in the country, and quality racing year-round, there is clearly no better time to race in the Bluegrass.

BREED THEM, RAISE THEM, RACE THEM. WE ALL WIN.
