## **TURFWAY PARK MOVES WEDNESDAY, THURSDAY CARDS TO 1 P.M. START**

**FLORENCE, Ky. (Tuesday, Feb. 3, 2026)** – Turfway Park Racing & Gaming will shift its Wednesday and Thursday live racing cards to afternoon programs with a 1 p.m. ET first post in response to forecasted single-digit wind chills expected during the evening hours.

Turfway Park officials will continue to monitor the latest forecasts, with Friday and Saturday's cards currently scheduled for their regular 5:55 p.m. first post.

Wednesday will mark the first day of live racing at Turfway Park since a winter storm and subzero temperatures forced the cancellation of six consecutive cards. The track maintenance crew was able to clear the racing surface Sunday, allowing training to resume Monday morning.
