TURFWAY PARK RULES & CONDITIONS FOR RACING & TRAINING

PLEASE NOTE: The following agreement must be read and signed by both the trainer and the attending veterinarian and the signature portion returned to the CDI medical director (William.Farmer@kyderby.com) before the trainer will be permitted to enter horses. See page 7.

As a condition to, and in consideration for the undersigned trainer ("Trainer") being permitted to stable, race, work, or train any horse at a Churchill Downs Incorporated ("CDI") owned facility, including, Churchill Downs Racetrack, Churchill Downs Training Center, Ellis Park or Turfway Park (each, a "Churchill Facility", and collectively, the "Churchill Facilities"), the Trainer and the undersigned Trainer's attending veterinarian ("Attending Veterinarian" as used herein, the term "Attending Veterinarian" shall include the undersigned veterinarian and any veterinarian who is a member of his/her veterinary practice.) hereby agree to be bound by the following conditions (the "Conditions"):

1. At all times, a horse must be in serviceable, sound racing condition in order to stable, race, work or train at a Churchill Facility. The Trainer acknowledges that it is his/her obligation to (a) confirm the horse is in serviceable and sound racing condition, in order to stable, race, work or train on a Churchill Facility's grounds and (b) to inform the CDI Equine Medical Director or his/her authorized designee of any changes in the horse's fitness or health that would prevent a horse from stabling, racing, working or training on a Churchill Facility's grounds or any changes which would put Trainer, the Attending Veterinarian, or any horse in violation of these Conditions. Any horse that has not raced within thirty (30) months since its last start shall be presumed unsound and ineligible to stable, race, work, or train at any Churchill Facility, unless approved in advance by the CDI Equine Medical Director or his/her authorized designee. Any horse six (6) years old or older that has never started shall be presumed unsound and ineligible to stable, race, work or train at any Churchill Facility unless approved in advance by the CDI Equine Medical Director or his/her authorized designee. In the event any horse under Trainer's care enters a CDI facility and is not registered with HISA (for any reason, including, without limitation, that the horse is not required to be registered under HISA's rules because it has not yet had its first official timed and reported work), Trainer shall promptly, but in all cases within twenty-four (24) hours of such horse entering a CDI Facility, voluntarily register any such horse with HISA.

2. Trainer will not enter a horse in any race UNLESS the horse has: (a) been examined by Trainer's Attending Veterinarian, who is licensed by the veterinary regulatory body in the jurisdiction where the examination occurs, within three (3) days after the close of entries and no later than two (2) days before the race; and (b) been found fit to race by the Attending Veterinarian. This evaluation shall include, at a minimum, an examination of the horse's legs, observation of the horse at rest, and watching the horse jog and any other requirements set under any law, regulation, or house rule. The Attending Veterinarian and Trainer are each obligated to inform the CDI Equine Medical Director

continued on next page

and the Kentucky Horse Racing and Gaming Corporation ("KHRGC") official veterinarian or his/her designee of any changes in the horse's fitness after entry at any time prior to the race.

3. Trainer will not permit a horse stabled at or shipped in to a Churchill Facility to work UNLESS the horse has: (a) been examined by the Trainer's Attending Veterinarian during the five (5) days immediately preceding the work for the express purpose of evaluating the horse's fitness to work; and (b) been found fit to work by the Attending Veterinarian (this evaluation shall include, at a minimum, watching the horse jog and any other requirements set under any law, regulations, or house rule). The Attending Veterinarian and Trainer are obligated to inform the CDI Equine Medical Director or his/her designee of any changes in the horse's fitness at any time after the examination set forth above and before the horse works.

4. Trainer will not permit a horse placed on the Veterinarian's List for unsoundness, injury or epistaxis to perform any high-speed (published) work for seven (7) days following placement on the Veterinarian's List.

5. Trainer will not enter in any race a horse that is a four-year old or older first time starter or a previously raced horse that has not raced in the 365 days preceding the date of the selected race UNLESS, in addition to the criteria set forth in Section 2 above and any other criteria set forth in any law, regulation, or house rule, such horse has completed an official work for the KHRGC veterinarian or his/her designee prior to entry. Trainer of any horse that has not raced within one hundred fifty (150) days but has raced within the three hundred sixty-five (365) days preceding the date of the selected race must complete the HISA Layoff Report. Based upon evaluation of the HISA Layoff Report, the KHRGC veterinarian or the CDI Equine Medical Director may (in his/ her sole discretion) impose and require the horse to meet additional requirements prior to being able to enter. If the horse is required to work under this provision, it must meet the same requirements as a horse that is working off of the KHRGC's Veterinarian's List.

6. Trainer will not enter in a race: (a) any horse that has finished twelve (12) or more lengths behind the winner in each of its last five (5) starts, or (b) any horse that has raced greater than four (4) times in the fifty-six (56) days immediately preceding the race date, unless approved in advance by the CDI Equine Medical Director or his/her authorized designee.

7. Under no circumstances shall an examination conducted by a veterinarian who has NOT been identified as the Trainer's Attending Veterinarian under these Conditions constitute a valid examination for purposes of determining a horse's fitness to race, work or train.

8. Representatives of the applicable Churchill Facilities and the CDI Equine Medical Director or his/her authorized designee(s) are entitled (but not obligated) to contact, without prior notice, Trainer's Attending Veterinarian to confirm that examinations have been conducted pursuant to these Conditions and that any such examination meets the applicable Churchill Facility's requirements. Representatives of the applicable Churchill Facilities and the CDI Equine Medical Director shall have the right (but not the obligation) to examine and review all records of examinations performed in accordance with these Conditions, and Trainer agrees that representatives of the applicable Churchill Facility or the CDI Equine Medical Director may inspect and copy for each's own use, and

Trainer shall provide upon request, all documents, electronic or otherwise, containing reports by official racing veterinarians of pre-race examinations, post-race examinations (including without limitation necropsy reports) and/or any records of procedures required by regulatory agencies or under applicable industry safety accreditation organizations of Trainer's horse(s) racing or training at each Churchill Facility.

9. All horses stabled or entered to race at a Churchill Facility, or present on a Churchill Facility's grounds, are subject to: (a) veterinary inspections and requests for veterinary medical records by the CDI Equine Medical Director, or his/her designee and (b) veterinary monitoring. Trainer, Trainer's staff, and Attending Veterinarians will cooperate fully with all requests made by CDI veterinarians and the applicable Churchill Facility's staff.

10. Trainer and Attending Veterinarian both acknowledge and agree that horses may have certain wearable sensor data collected while racing or training at a Churchill Facility. Trainer agrees that Churchill may provide the undersigned Attending Veterinarian access to any such wearable sensor data, to the extent such data would otherwise be accessible to or provided to that Trainer. The Attending Veterinarian may only use the data for purposes of providing medical treatment to the horse to which the data relates and may not disclose or otherwise disseminate the data outside of the Veterinary-Client- Patient-Relationship concerning the horse in question.

11. If stabled on a Churchill Facility's grounds, both Trainer and the Attending Veterinarian will abide by all rules and regulations of the applicable Churchill Facility, including, without limitation, House Rules (including those relating to equine welfare and integrity), or other rules (including, without limitation, all rules set forth in the applicable Churchill Facility's Condition Book, Stall Application, the Rules of the Barn Area, and the Rules of the Track), all of which are hereby expressly incorporated by reference herein. Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations.

12. Both Trainer and Attending Veterinarian acknowledge and accept that neither Trainer nor Attending Veterinarian, or any other individual who is an agent of, employee of, or contractor for Trainer and Attending Veterinarian, are employees of CDI or any Churchill Facility, and are not entitled to any benefits of employment, including worker's compensation insurance, unemployment insurance, group health and/or life insurance, or pension plan participation. Furthermore, Trainer and Attending Veterinarian acknowledge that they will confirm the eligibility of all persons working for them at any Churchill Facility to lawfully perform work within the United States.

13. All KHRGC licensees, including but not limited to each Churchill Facility, owners, trainers, jockeys, and grooms ("licensees"), participating in stabling, racing, training, and related activities at the Churchill Facilities recognize that hazards and risks inherent in such activities may cause the injury or death of horses. Therefore, in consideration of participating in stabling, racing, training, and related activities at a Churchill Facility, all licensees assume the risks of, and release, hold harmless and covenant not to sue all other licensees so participating for: (i) Ordinary negligence which causes or contributes to loss, loss of use, injury or damage to horses while on the premises of such Churchill

Facility; and (ii) Ordinary negligence which causes or contributes to personal injury or property damage, including but not limited to loss, loss of use, injury or damage to horses arising from the use of grass fields or gallops owned or controlled by such Churchill Facility, whether arising from alleged acts or omissions of a licensee and its agents or employees, the condition of the premises of such Churchill Facility or any other cause. Except as provided above, all licensees participating in racing, training, and related activities at a Churchill Facility shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law. The foregoing provisions shall be construed in a manner consistent with the limitations set forth herein to be as broad and inclusive as permitted by the laws of the Commonwealth of Kentucky and the KHRGC's regulations and shall be binding upon Trainer, its successors and/or assignees. The maintenance by CDI or any of its subsidiaries of insurance shall not affect the terms or interpretation of this Agreement. The foregoing release shall extend to CDI's and its subsidiaries' officers, directors, agents, employees, contractors, servants and licensees. In the event of any inconsistency between these provisions and the KHRGC's regulations, the KHRGC's regulations shall control. Further, these provisions shall be deemed to be amended to the extent of, and to be in compliance with, any amendment to the KHRGC's regulations.

14. Both Trainer and Attending Veterinarian will abide by all rules and regulations of the KHRGC and the Horseracing Integrity and Safety Authority ("HISA"), at any time expressly incorporated by reference herein, and the rules and regulations of the KHRGC or HISA, at any time adopted or as they may be amended. Trainer and Attending Veterinarian shall be responsible for obtaining and becoming familiar with such rules and regulations. Ignorance of such rules and regulations shall not be considered a defense for non-compliance therewith. Trainer and Attending Veterinarian further agree to comply with all state, federal, and municipal laws, rules, and regulations that are now or may become applicable to Trainer and Attending Veterinarian in connection with business conducted at any Churchill Facility.

15. Any failure by CDI or a Churchill Facility to enforce any terms or conditions of this Agreement shall not constitute a waiver by such Churchill Facility, and shall not affect or impair this Agreement in any way, or the right of CDI at any time to enforce this Agreement. A Churchill Facility representative's approval or consent to any action proposed by Trainer or Attending Veterinarian shall not (a) waive Trainer or Attending Veterinarian's obligation to strictly comply with this Agreement, or (b) be construed as an undertaking of Churchill Facility, the CDI Equine Medical Director, or any other designee or either such party to treat, diagnose, or otherwise be responsible for the condition of any horse.

16. Both Trainer and the Attending Veterinarian understand and acknowledge that these Conditions shall be in effect annually commencing on the date of the opening of the Churchill Downs Racetrack stable area prior to the Churchill Downs Racetrack Spring Meet (or any successor meet therefor) each year and continuing through the conclusion of the Turfway Park Winter/Spring Meet (or any successor meet therefor) the following year, and for Trainers that have horse(s) on a Churchill Facility's grounds, these Conditions shall be in effect from earliest date noted below and for so long as Trainer has horse(s) on such Churchill Facility's grounds.

17. Trainer acknowledges that CDI and each of its affiliates reserve the right, at their sole discretion and without notice at any time: a) to refuse stalls or access to any applicant for any reason; b) to revoke and terminate any privileges for stall space at any Churchill Facility; c) to refuse permission to enter and to race horses at any Churchill Facility; and d) to refuse to any person or animal (whether or not listed on any application) access to anyChurchill Facilities or any other grounds of any Churchill Facility for any reason.

By signing below, **Trainer** acknowledges and agrees that Trainer (a) has read and fully understands the Conditions and agrees to be bound by them, (b) will consult with Trainer's Attending Veterinarian and the CDI Equine Medical Director if Trainer has any questions regarding such Conditions, and (c) will fully comply with the Conditions.

By signing below, the **Attending Veterinarian** acknowledges and agrees that he/she (a) is the Attending Veterinarian for the undersigned Trainer, (b) has read and fully understands the above Conditions and agrees to be bound by them, (c) will consult with the CDI Equine Medical Director if he/she has any questions regarding such Conditions, and (d) will comply fully with the Conditions.

Any change in the party that will be acting as the Trainer's Attending Veterinarian requires Trainer and the new Attending Veterinarian to submit a fully executed copy of these Conditions to CDI Equine Medical Director.

Once completed, please return the signed document below to Dr. Will Farmer at William.Farmer@kyderby.com or text to 260-438-4151.

EQUINE SAFETY INITIATIVES

Several equine safety initiatives have been implemented at all Churchill Downs Incorporated properties in Kentucky. Below are the changes and how they affect you.

1. RULES AND CONDITIONS FOR RACING AND TRAINING AGREEMENT: This must be signed and submitted to the Stable Office upon arrival. This agreement will cover all Kentucky CDI properties and will be in effect until April 1, 2027. Please make sure you and your attending veterinarian sign prior to turning it in.

2. REGISTRATION WITH HISA: All horses (except for stable ponies) must be registered with HISA within 24 hours of entry into any CDI facility, regardless of their Covered Status due to their first official and timed workout.

3. WORKING AFTER PLACEMENT ON VETERINARIAN'S LIST: Trainer will not permit a horse placed on the Veterinarian's List to perform a high-speed (published) work for seven (7) days following placement on the Veterinarian's List.

4. MEDICATION-RESTRICTED RACES: Pursuant to HISA regulations, all two (2) year-old races and stakes races will be conducted Lasix-free. Please consult with your attending veterinarian, the Churchill Downs Equine Medical Director (Dr. Farmer), or the KHRG if you have any questions regarding this regulation.

5. SHOCKWAVE THERAPY TREATMENTS: All prescribed shockwave treatments require a 48-hour notice. Please contact Dr. Farmer to schedule. FOLLOWING A SHOCKWAVE TREATMENT ALL HORSES ARE INELIGIBLE TO HAVE ANY HIGH-SPEED WORK FOR 14 DAYS OR A RACE FOR 30 DAYS. Trainers and veterinarians violating this rule are subject to HISA penalties along with revocation of stalling privileges at CDI properties. Shockwave machines must be registered with HISA.

6. PRE-ENTRY EXAM: Pursuant to KHRG regulation, all horses must have an exam submitted by an attending veterinarian licensed by the veterinary regulatory body in the jurisdiction where the examination occurs within three (3) days after the close of entries and no later than two (2) days before the race.

7. PRE-WORK EXAM: All horses stabled at or shipping into Churchill Downs, Ellis Park, Trackside or Turfway Park must have an exam performed by their attending veterinarian within the five (5) days preceding a timed workout, per the Rules and Conditions for Racing and Training agreement. This exam is to be documented by your attending veterinarian and submitted with their treatment records to HISA.

8. ENTRY RESTRICTIONS:

A) Age Restrictions:

1) All 4- and 5- year old first-time starters and any previously-raced horse that has not raced in the previous 365 days must contact the KHRG veterinarians to schedule an official veterinary work PRIOR to entry.

2) Any horse six (6) years or older that has never started is ineligible to stable, train or race at any Churchill Downs Property.

B) Lay-Offs:

1) The trainer of any horse that has not raced within one hundred fifty (150) days but has raced within three hundred sixty-five (365) days preceding the date of the selected race must submit a Post-Layoff Report per HISA rule 2142(a) PRIOR to being eligible to enter in a race.

2) Any previously-raced horse that has not raced in the previous 30 months is ineligible to stable, race or train at any Churchill Downs Property unless approved in advance by the CDI Equine Medical Director.

C) Poor Performance: Horses that are beaten by twelve (12) or more lengths in their last five consecutive starts will be ineligible to race at any Churchill Downs Property until approved by the Equine Medical Director to return.

D) Restricted Number of Starts: Horses will be limited to four starts in a rolling eight-week period (56 days).

9. IN-TODAY SIGNAGE: All horses entered to race must be clearly identified starting at 7:30 a.m. on race day with an "In-Today" sign. Trainers should hang these signs on the stall door or adjacent to the stall. This is separate from the KHRG Lasix tag hung following Lasix administration. Extra signs are available in the Stable Office.

10. INTRA-ARTICULAR INJECTIONS: Horses that receive IA injections containing corticosteroids into the fetlock joint are prohibited from working for 14 days and racing for 30 days. All other IA injections have a 7-day stand-down period for high-speed works and a 14-day stand-down period for racing.

PLEASE DIRECT ALL QUESTIONS TO:

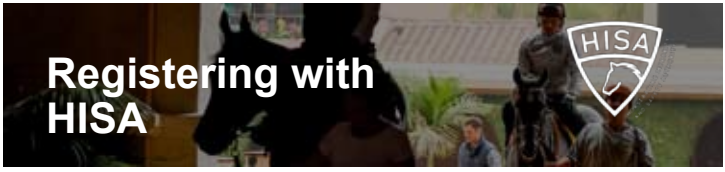

CDI Equine Medical Director, Dr. Will Farmer • (502) 638-3995
CDI Equine Safety and Integrity Veterinarian, Dr. Dana Stead • (502) 634-6520

PLEASE NOTE: Occasionally, race day schedules and/or post times may change due to weather forecasts; management will work to notify horsemen in the timeliest manner possible. Please be mindful of withdrawal times and treatment schedules and treat accordingly to stay compliant. If you have any questions or concerns about treatment timing, contact the KHRG Veterinarians' office or the Stewards.

EQUINE SAFETY CONCERNS

Should you have concerns about the safety or care of horses stabled at Turfway Park, please email horsesafety@turfwaypark.com to contact the equine safety committee.

CONDITION PREFERENCE

Horses are preferred by their available allowance conditions in all allowance races beginning with Graded / Group Stakes Winners in Order (Grade I-II-III), providing the horse has finished 1st, 2nd, 3rd, or 4th for $25,000 or more since starting for less than $25,000. In allowance/optional claiming races a horse's preference cannot exceed the allowance condition of the race. Starter races for less than $25,000 will not be preferred. Winners are preferred in all non-maiden races.

TURFWAY PARK DATE PREFERENCE SYSTEM

Foal certificates are not required to be on file in the Racing Office to enter or start at Turfway Park; however, foal certificates must be on file to obtain and retain a preference date.

Each days overnight will list the dates of horses in the body and on the also-eligible list to enable trainers to see what dates are getting horses into over-filled races.

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot, however, where entry and running dates are the same, the horse with the entry date will have preference.

2. All horses intended for racing at Turfway Park will be assigned a preference date. A horse can have only one date at any one time.

3. Horses with pending blood shall have no preference.

4. Covered Horses which have not started in more than 365 days and unraced Covered Horses which have not made a start prior to January 1 of their 4-year-old year shall retain their previously established date once removed from the Veterinarians list (providing the foal certificate is on file).

Dates will be of two types:

E-Date

This date will correspond to (a) the date on which a horse's foal papers/digital foal certificate and name card are submitted to the Identifier (their earliest date being the day when entries are first taken for the meet). The deadline to submit foal papers/digital foal certificates to receive a date on day of entry is 9:30 a.m. Eastern; (b) the day on which a horses is first entered if his papers are not on file with the Identifier. To qualify for the latter E-Date, a horse must have been excluded from a race that appears on the overnight or been entered in a condition book race which failed to fill through insufficient entries.

R-Date

This date will correspond to the day of a horse's most recent race at Turfway Park. An R-Date also will be assigned to a horse that scratches.

1. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose papers are removed from the Identifier's office will lose his date and must then re-establish a date to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another track will forfeit any date they may have at Turfway Park and must re-establish a preference date. Additionally, horses racing at Turfway Park without foal papers/digital foal certificate on site will not retain their R-Date.
2. Preference dates are good for any type of race or distance (other than maiden dates and stakes).
3. Maiden dates will be kept separately and will not have preference in winners races.
4. No E-Date will be assigned to the second choice of an un-split same-owner entry.
5. A horse placed on a list (Veterinarian, Steward, Starter or Paddock Judge) will lose its date and be assigned an R-Date corresponding to the day removed from the list.
6. Horses on the Also-Eligible List shall be permitted to draw into races and will be assigned post positions in the order of their dates, earliest dates first.
7. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain his previous date.
8. The draw of stake and handicap races is not subject to date preference.
9. Preference dates are transferred through change in ownership and changes in trainer only after the proper transfer procedures have been completed through the Stewards office and delivered to the Racing Secretary's office.
